

# RITE-POWER Industrial Portable Battery Powered Generators

Ritelite's range of Industrial Portable Battery Powered Generators provide reliable, efficient portable power whenever and wherever it is needed, outside and inside

## Key Features & Benefits

- Ultra flexible, reliable portable power supply for any remote power location
- Powers Ritelite lighting products and other compatible equipment including tools
- Silent, fume free, safe operation for indoor and outdoor use.
- No fuel requirements, rechargeable lithium batteries
- No maintenance requirements
- Highly portable and able to easily be removed from site avoiding security issues
- Long duration solution for weekend work
- Rugged, strong and designed for industrial environments

**Provide power wherever it is needed**

**Reliable pure sine-wave inverter energy**

**Multi-function display**

## Battery Generator Options

RITE-POWER MODEL		KEY SPECIFICATION
1750		1750 watt hour battery capacity 750W continuous power Pure sine-wave inverter energy 110V / 230V options 3 charger options 22kg one person lift Rated IP65 (L) 565mm x (W) 360mm x (H) 235mm
1750x2		3500 watt hour battery capacity 750W continuous power Pure sine-wave inverter energy 110V / 230V options 3 charger options 36kg two person lift Rated IP65 (L) 580mm x (W) 400mm x (H) 340mm
Welders Advanced Power Pack		3850 watt hour battery capacity 2500W continuous power Pure sine-wave inverter energy 110V / 230V options 3 charger options 52kg two person lift Rated IP44 (L) 715mm x (W) 370mm x (H) 470mm
7000		7000 watt hour battery capacity 2500W continuous power Pure sine-wave inverter energy 110V / 230V options 3 charger options 69.5kg two person lift Rated IP44 (L) 680mm x (W) 340mm x (H) 680mm

## Battery Generator Options

RITE-POWER MODEL		KEY SPECIFICATION
10000		<p>7700 watt hour battery capacity 5kVA (4000W) continuous power Pure sine-wave inverter energy 230V Integrated charger 147kg Rated IP44 (L) 840mm x (W) 765mm x (H) 790mm</p>
20000		<p>15400 watt hour battery capacity 10kVA (8000W) continuous power Pure sine-wave inverter energy 230V Integrated charger 265kg Rated IP44 (L) 1050mm x (W) 780mm x (H) 780mm</p>
